County announces changes in Standard Operating Procedures (SOPs) for the Department of Parks and Recreation

The County of Kaua'i announces the following changes in Standard Operating Procedures (SOPs) for the Wailua Golf Course in order to provide for the health, safety, and welfare of the people of Kaua'i from the potential spread of the novel coronavirus (COVID-19).

Effective Thursday, May 14, the use of motorized golf carts will be allowed with restrictions. Motorized golf carts shall be limited to a single player and a single golf bag. Two players may be allowed to share a golf cart if they can prove they are members of the same household via State-issued picture identification cards.

The motorized golf carts will be disinfected prior to and after each round of play.

Golfers are reminded to continue following all social distancing and sanitation protocols in place at the Wailua Golf Course. The Department of Parks and Recreation would like to extend its appreciation to the golfers who continue to play safely at the golf course.

To view a copy of the emergency proclamation, visit the County of Kaua'i's website at www.kauai.gov/KEMA. Detailed procedures will be available online at www.kauai.gov/golf and at the golf course.

For more information and to sign up for daily updates from the state Department of Health relating to current COVID-19 information, visit <https://health.hawaii.gov/news/covid-19-updates/>.
